Hi Stella!

Did you enjoy your vacation? I just got back from Spain. I was there for two weeks, but it wasn't that much fun. In fact, it was awful! Everything went wrong. First, my cab arrived late, so I missed my flight. I waited almost an hour to get another one. When I arrived at my hotel, the staff was rude and told me that I had no booking. It took them ages, but they finally found my name in their computer. Well, when I got to my room, it was more like a closet. It was really small. I was exhausted, so I decided not to complain and went to the beach. Big mistake. It was so crowded, there was no room for me to put my towel down. I'm glad to be home!

Gillian
