

Let's count the fingers

Addition

Let's type the appropriate numbers in the boxes as in the example.

$$\text{Two fingers} + \text{One finger} = 3$$

$$\boxed{2} + \boxed{1} = 3$$

$$\text{Three fingers} + \text{One finger} =$$

$$\boxed{} + \boxed{} =$$

$$\text{Two fingers} + \text{Three fingers} =$$

$$\boxed{} + \boxed{} =$$

$$\text{Four fingers} + \text{One finger} =$$

$$\boxed{} + \boxed{} =$$

$$\text{Two fingers} + \text{Four fingers} =$$

$$\boxed{} + \boxed{} =$$

$$\text{Four fingers} + \text{One finger} =$$

$$\boxed{} + \boxed{} =$$

$$\text{Four fingers} + \text{Three fingers} =$$

$$\boxed{} + \boxed{} =$$

$$\text{Four fingers} + \text{Three fingers} =$$

$$\boxed{} + \boxed{} =$$
