

## The Sick Family

Everyone in my family is sick today.  
My husband has a backache.  
He can't get out of bed.  
My older son has a toothache.  
He should see a dentist.  
My daughter has a terrible pain in her knee.  
Her stomach hurts too.  
My baby is crying because he has an earache.  
I am taking care of everybody and my head hurts.  
I hope we all feel better tomorrow!

Rewrite the sentences as a paragraph:
