

UNIT 3 – HELPING OTHERS

FUNDRAISING TIME!

The Sports Department is asking students in grades 7–10 to help out with this year’s fundraising activities. We’re going to use the money to help pay for new equipment, refreshments after games, and trips to games at other schools. If you have any ideas for fundraising activities, please post them in the comments section below.

5We could sell chocolate bars. Who doesn’t like chocolate?

7I like chocolate! Let’s have a cake sale. We could sell chocolate cake, brownies, and chocolate chip cookies. I’m getting hungry!

10We could have a dance. My brother’s class did that at his high school, and they made a lot of money.

12Yes, we could make something, like T-shirts with the name of our school on them. And then we could sell them on the school website.

14I have a good idea! Why don’t we have a 5 km fun run around the town? It could end on our school sports field, and we could charge an entry fee and sell our school T-shirts, too.

17At my middle school, we had a basketball shoot-out to raise money. Children had to pay to shoot ten balls and the person with the best score in each class got a prize. It was a lot of fun!

20FUNDRAISING UPDATE

21Thanks for all the great ideas! The sports teachers and I discussed all the ideas you gave us and a few other ones. Here’s the fundraising plan that we came up with for this year:

23• Grade 7: You’re going to sell chocolate bars. We’re going to order them from Charlie’s Chocolates. They cost a dollar each. Mr. Campbell, the basketball teacher, is going to give you more information on Thursday.

25• Grade 8: You’re going to sell water bottles with our school name and logo on them. The bottles cost \$2.50 each. Miss Carpenter, the tennis teacher, is going to tell you more about it tomorrow after lunch.

27• Grade 9: You’re going to have a dance and sell tickets to it. It’s going to be in the school gym on Saturday night, May 8. Ms. Richards and Mr. Benson, the soccer coaches, are going to meet you in the cafeteria next Tuesday before lunch to talk more about it.

30• Grade 10: You’re going to have a cake sale. Mrs. Fenton, the school nurse, is going to meet you this Friday, in the Grade 10 hallway, to give you more information. We’re all looking forward to this year’s fundraising events. We know they’re going to be a big success!!!
