1. _____ the owner or manager of a bookshop..
2. _____ to find the meaning of (something that is difficult to read or understand).
3. _____ a picture illustrating a book, newspaper, etc.
4. _____ not familiar
5. _____ a book, document, or piece of music written by hand rather than typed or printed.

B. Read the following information about the Voynich manuscript and fill in the blanks with the correct **past modal/ have been/ vpp**

This famous manuscript is named after Wilfrid Voynich, a bookseller who bought the book in 1912. Since it was discovered, it has been in the library at Yale University. Although many believe Voynich could have written the book to become famous, many scholars have tried to decipher the text, which was written in an unknown language and also has many strange plants and objects. Based on its illustrations, the book was divided into six sections according to what scholars think its topics _____ **(may/collect)**.

Nobody knows where exactly it was created. According to radiocarbon dating, the authors of the manuscript _____ **(may/ created)** it in the 15th or 16th century. Most theories claim that the book _____ **(must/ made)** with medicine plants and they effect on people. Others say the language _____ **(might/ belong)** to a culture that had only spoken language and someone tried to write down their knowledge. Theories about the manuscript are always appearing and the mystery continues.
