Jason Mraz - 93Milion Miles

93 million miles from the sun
People get ready, get ready
Cause here it _____, it's a light
A_____ light, over the horizon
Into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you ___ it right, you'll love where you _____
Just know, wherever you _____
You can_____ come home

240 thousand miles from the moon
We've come a long way to belong here
To share this view of the night
A glorious night
Over the horizon is another bright sky
Oh, my, my, how beautiful,
Oh, my irrefutable father
He told me, son,_____ it may seem _____
But the absence of the light is a necessary part
Just know, you're_____ alone,
You can_____ come back home
You can_____ come back

Every road is a slippery slope
But there is_____ a hand that you can hold on to
Looking deeper through the _____
You can see that your home's inside of you
Just know, that wherever you _____,
No, you're_____ alone,
You will_____ get back home, home, home
93 million miles from the ___
People get ready, get ready
Cause here it _____, it's a light
A beautiful light, over the horizon into our eyes
