

The Chipana's Family

Hello! We are the Chipana's family. We are from Tacna, in Peru.

This is my sister Lisa. She is twenty-two, and she is a student. She is tall and slim, and she has long, red hair and green eyes. She is a language student. She studies German, French and Spanish. She is very happy at university. She is very friendly and good. She has got a lot of friends. Lisa's boyfriend's name is Tom. He is thirty years old and he is the manager of a small bookshop. He loves her very much. He is tall, too. He has short brown hair and blue eyes.

My name is Paul and I am sixteen. I am a student in LRC school, I am short, and I have brown hair and brown eyes. My hobby is computers. I like the Internet, Facebook and e-mails. We have a dog and three cats at home. The dog's name is Bond and the cats are Tip, Tap and Top.

My little sister is seven months old, nearly eight. Her name is Polly. She has no hair yet. She has blue eyes and she is very funny. We love Polly a lot.

And these are my parents. My mother's name is Catherine and she is forty-two. She is a hairdresser. She is short and fat, and she has short hair and blue eyes. Mum is very cheerful. And she is an excellent cook. She reads a lot. She reads in bed, she reads in the garden, she reads in the bathroom, she reads everywhere!

My father's name is Peter and he is forty-five.

He is tall but not very slim.

He has dark brown hair and brown eyes. He is a dentist. He has two colleagues, John and Megan.

We live in a big house in Tacna. The house has four bedrooms, a living-room, a dining-room, two bathrooms and a kitchen.
