Calcule pour atteindre le haut de la pyramide.
Chaque brique correspond à la somme des deux briques qui la soutiennent.

2

The worksheet contains two identical magic square puzzles. Each puzzle consists of a 3x3 magic square in the top half and a 4x1 column of numbers in the bottom half. The left grid has a total of 40, and the right grid has a total of 19. The numbers in the bottom half of the left grid are 2, 10, 1, 5. The numbers in the bottom half of the right grid are 10, 4, 1, 6.

Left Grid:

12			
5	7	5	10
2	10	1	5

Right Grid:

8			
5	3	1	4
10	4	1	6

Bottom Illustration: An Egyptian goddess with long hair, wearing a yellow dress, is seated in a boat. She is holding a golden sun disk above her head. The boat is decorated with yellow and black patterns. The background is a light yellow color.
