Aren't stereotypes ? Why is it we all have a of people from other countries. Not all stereotypes though are to do with nationality. We have stereotypes on - the typical or computer Stereotypes even cover and Actually, thinking about it, stereotypes that funny. They of people. Even , they put people in a light. When we see of stereotypes, we at them. This is not nice. It's not good to laugh at a I think stereotypes do harm in the world. They don't really people together. I don't fit the stereotype of people from my I don't carry an and I don't tea.

In social psychology, a stereotype is an over-generalized belief about a particular category of people. It is an expectation that people might have about every person of a particular group.
