

Just the way you are

Oh, she / her eyes, she / her eyes
Make the stars look like they're/ they not shinin'
She / Her hair, she / her hair
Falls perfectly without her tryin'
She / She's so beautiful and I tell her everyday
Yeah, I know, I know
When I compliment her, she won't believe me
And it's / it so, it's / it so
Sad to think that she don't see what I see
But every time she asks me, "Do I look okay?"
I say
When I see you / your face
There's not a thing that I would change
'Cause you're / you amazing
Just the way you are
And when you / you're smile

The whole world stops and stares for a while
'Cause girl, you're / you amazing
Just the way you are
Yeah

Her / she lips, her / she lips
I could kiss them all day if she'd let me
She / Her laugh, She / her laugh
She hates, but I think it / it's so sexy
She / She's so beautiful and I tell her everyday
Oh, you know, you know
You / Your know I'd never ask you to change
If perfect's what you're / you searchin' for, then just stay the
same
So don't even bother askin' if you look okay
You know I'll say
