

### The farmer

We need food for good health. Fresh fruits and vegetables are very good for us. They are grown on farms and in yards. Some farmers sell their **produce** at the market, to food stores, and hotels.

My Name is \_\_\_\_\_

## The Farmer

1. Write the names of the fruits in the picture (5).

---

---

---

---

---

2. Write the names of the vegetables you can see (5).

---

---

---

---

---

3. What do Farmers do?

---

4. Are fruits and vegetables good for us?

YES    or    NO
