

ANNE BONNY

1. Read the text about Anne Bonny.

Anne was a girl with red hair. She was strong and tough, and she had friends who were pirates. When she grew up, she even married a pirate called John Bonny. Together they sailed to the Bahamas, but John started working as a spy for the British government, so Anne left him and fell in love with a pirate captain named Calico Jack. Anne became friends with another woman pirate named Mary Read. Mary dressed up as a man to be part of the crew on a ship. Anne and Calico Jack captured the ship where Mary sailed. Anne and Mary took charge of the ship, which was called *Revenge*. When the British Navy discovered that they had captured a ship, they ordered the crew to surrender, but Anne and Mary fought fiercely. In the end, they were both captured.
