Weekends!

I love weekends, they are the best.
There is no school and we can rest.
But the best thing is that we can play.
Last weekend there (1) **is** / **was** / **can** a camping holiday!
We (2) **are** / **were** / **was** staying in the forest and everyone was scared.
In the forest there are squirrels but also big brown bears!
On Saturday we (3) **go** / **are** / **were** fishing and playing in the lake,
And (4) **on** / **in** / **at** Sunday it was Jen's birthday and we had birthday cake.
Later, (5) **at** / **on** / **in** the afternoon we packed our bags.
The camping trip was finished. I **was** / **were** / **are** very sad!
