

CHAPTER 8 - COMPREHENSION

Dr Jekyll had written _____ to Dr. Lanyon. He wanted him to do something for him.

Dr. Lanyon had to go to Jekyll's _____ and take three objects: some _____ powders, a bottle and a _____. Later, he had to go back to his house and wait for a _____ that night.

When this visitor arrived, Dr. Lanyon had to give him the objects he had brought from _____'s house. The visitor was short but _____, dressed in clothes that were too big for him.

The strange man mixed the powder and the liquid from the _____ in the glass. After he drank the mixture, his whole body started _____ and he became Dr. Jekyll!

Dr Lanyon realised the short man and Dr. Jekyll were the _____ person, living in the same body.
