

### Taylor Swift - You Belong With Me

- ♥ Before listening to the song, complete the lyrics and then listen to check:

You're on the phone with your girlfriend, she's upset  
 She's going off about something that you said  
 'Cause she **don't / doesn't** get your humor like I do

I'm in my room. It's a typical Tuesday night  
 I'm listening to the kind of music she **don't / doesn't** like  
 And she'll never know your story like I **do / does**

But she **wears / wear** short skirts. I **wears / wear** T-shirts  
 She's cheer captain, and I'm on the bleachers  
 Dreaming about the day when you **wake up / wake on**  
 And find that what you're looking for has been here the whole time.

- ♥ Complete the gaps while listening to the song:

If you can see I'm the one \_\_\_\_\_ understands you  
 Been here all along so \_\_\_\_\_ can't you see?  
 You belong \_\_\_\_\_ me,  
 you belong \_\_\_\_\_ me

Walkin' the streets with you and your worn-out jeans  
 I can't help thinking this is \_\_\_\_\_ it ought to be  
 Laughing on a park bench, thinking to myself  
 Hey, isn't \_\_\_\_\_ easy?

And you've got a \_\_\_\_\_ that could light up this whole town  
 I haven't seen it in a while since she brought you down  
 You say you're fine. I know you better than that. Hey, what you \_\_\_\_\_ with a girl like that?

- ♥ Check the correct option while listening to the song:

She wears **sneakers / high heels**. I wear **sneakers / high heels**  
 She's **cheer captain / bleachers** and I'm on the **bleachers / cheer captain**  
 Dreaming about the day when you wake up and **find / fine** that what you're looking for has been here the **some / whole** time.

If you can see that I'm the one who understands you.  
 Been here all along so why can't you see  
 You belong with me

**Starring / Standing** by and waiting at your **backdoor / frontdoor**  
 All this time how could you not **know / show**  
 Baby, you belong with me. You belong with me

You belong with me.  
You belong with me.
