Don't start now

Did a full one naughty 180, crazy
Thinking 'bout the way I was has
Did the heartbreak chain change me? Maybe
But look at where I ended on up

I'm all at good already
So moved on, it's spary scary
I'm not where you leat left me at all, so
If you don't wanna sea see me dancing with somebody
If you wanna believe that everything anything could stop me

Don't shall show up, don't come out
Don't stop start stop caring about me now
Walk away, you know now how
Don't start caring at about me now

Aren't you the guy God who tried to
Hall Hurt me with the word "goodbye"?
Though it took some time to survive alive you
I'm better belling on the other side
