A boy looked after the sheep that belonged to the people in his village. He got (1) ____ and decided to have some fun.

“Help, help, help” he shouted. A wolf has come for the sheep! Come quickly!

All the people came (2) ____ out of the village, carrying (3) ____, sticks and stones. They hurried up the hill to drive away the wolf. But they reached the (4) ____, there was no sign of a wolf.

Some of the men asked the boy where is the wolf? They (5) ____ carefully, but they didn’t find the wolf.

It must have escaped, said the boy. The villagers thought, and might have made a (6) _____. Look after our sheep carefully, they said as they left.

The boy sat down, and he laughed and (7) _____. The boy played the trick another time. Then he shouted, Help, help! The wolf has come back!

The villagers came again, but they looked quite angry because they couldn’t see the wolf. In the evening, the sheep stopped (8) ____ and looked up. They began to bleat (9) ____ and move closer together.

Help, Help! Shouted the boy. The wolf is here! It’s really here! Help.

The villagers thought that they weren’t (10) ____ anymore; he treated us twice already. So, nobody came up to help the boy.

Finish!
