Dear Shamil,

Thank you very much for confirming your readiness to take care of my house and dog. I really appreciate your help as it makes my trip much more comfortable.

Please be informed that I will be in London till June 15th and you can call my UK cell number. In the mid of June I plan to fly to Chicago, so please send me a message via WhatsApp if you have any questions then.

As I said earlier, it's required to walk with the dog, Jazz, at least on early mornings and on evenings. You may take the dog to the small animal park near the friendship monument or to the boulevard if you have time for a long walk. The dog food is on the bottom shelf of the refrigerator. Please give no more than one can of the food per day to Jazz. I also want to ask you to water all the flowers twice per week. The only exception is the flower in the kitchen, which doesn't require water at all. In the case, if you find any utility bill in the postbox, just place it on my study table.

Thanks again for agreeing to help me with these duties. I will be happy to do the same for you when you go for your holidays to Rio.

Warm wishes,

Ava
