

SONG

Olivia Rodrigo - good 4 u

Well, good for you, I guess you _____ on really easily
You _____ a new girl and it only took a couple weeks
Remember when you _____ that you _____ to give me the
world? (Ah-ah-ah-ah)

And good for you, I guess that you've been workin' on yourself
I guess that therapist I _____ for you, she really _____

Now you can be a better man for your brand new girl
Well, good for you, you look happy and healthy, not me
If you ever _____ to ask

Good for you, you're doin' great out there without me, baby
God, I wish that I could do that

I've _____ my mind, I've _____ the night
Cryin' on the floor of my bathroom

But you're so unaffected, I really don't get it
But I guess good for you

Well, good for you, I guess you're gettin' everything you want
(ah)

You _____ a new car and your career's really takin' off (ah)
It's like we never even _____

Baby, what the f*** is up with that? (Ha)

And good for you, it's like you never even _____ me

Remember when you _____ to God I was the only

Person who ever _____ you?

Well, s**** that and s**** you
You will never have to hurt the way you know that I do
Well, good for you, you look happy and healthy, not me
If you ever _____ to ask
Good for you, you're doin' great out there without me, baby
God, I wish that I could do that
I've _____ my mind, I've _____ the night
Cryin' on the floor of my bathroom
But you're so unaffected, I really don't get it
But I guess good for you
Ah-ah-ah-ah
Ah-ah-ah-ah
Maybe I'm too emotional
But your apathy's like a wound in salt
Maybe I'm too emotional
Or maybe you never cared at all
Maybe I'm too emotional
Your apathy is like a wound in salt
Maybe I'm too emotional
Or maybe you never _____ at all
Well, good for you, you look happy and healthy, not me
If you ever _____ to ask
Good for you, you're doin' great out there without me, baby
Like a damn sociopath
I've _____ my mind, I've _____ the night
Cryin' on the floor of my bathroom
But you're so unaffected, I really don't get it
But I guess good for you
Well, good for you, I guess you moved on really easily
