She left school when she was sixteen and started a professional career in music. She worked very hard, and she also performed in some big concerts to raise money for charity.

She first entered the TV talent competition The X Factor in 2005. She didn't win because the judges thought that she was too young to be a successful pop star. But they said that she was a great singer, so Alexandra entered the competition again in 2008. This time she won! Her first song, 'Hallelujah', was number one in Britain for three weeks, and more than a million people bought it.
