

CHOICES -SETTING GOALS (NOAH AND NEHEMIAH)

Children, who start ahead, stay ahead. Goal setting is by far the best way to start ahead and secure one's future. Effective goal setting is one of the most important habits one can develop. It is an essential skill for achieving success in all areas of life.

Two biblical examples of persons who achieved their goals are Noah and Nehemiah. Noah took a long time but he completed the ark God instructed him to build. Nehemiah supervised the rebuilding of the walls of Jerusalem. Both of these men experienced challenges and opposition. However, they did not give up.
