

## At the Doctor's Office

Match the sentences with what the doctor or nurse says for each situation.

I want to look at your throat.

Let me listen to your lungs.

I need to check your eyes.

I want to take your blood.

I am going to examine your body.

I need to check your weight.

I am going to take your blood pressure.

Step on the scale.

Lie down on the table.

Make a fist.

Open your mouth and say  
Ahh!

Take a deep breath.

Look straight ahead.

Roll up your sleeve.
