

PIXELART MARISTA

Construye a Marcelino

Pixel art template for constructing the character Marcelino. The template consists of a 27x27 grid with a 27x1 color bar at the top and a 27x1 color bar at the bottom. The grid is divided into two sections: a 27x10 section on the left and a 27x17 section on the right. The left section contains a pixel art of Marcelino, and the right section is empty. The color bar at the top is divided into three segments: a 27x1 segment of brown, a 27x1 segment of yellow, and a 27x1 segment of pink. The color bar at the bottom is divided into three segments: a 27x1 segment of brown, a 27x1 segment of pink, and a 27x1 segment of black.
