IV. In paragraph 4 you have learnt that 'optics' is the study of light. Do you know the word for the *study of living beings*? It is 'biology'. It comes from 'bio' (means 'life') + 'logus'/'logy' (means 'study or science'). So the suffix '-logy' adds the meaning 'the study of'.

Guess the meaning of the words under Column A and match them with the phrases under Column B. Write your answer in box

Match the following sciences with their corresponding objects of study.

A

B

1. Archaeology	(   )	(a) the study of the mind
2. Physiology	(   )	(b) the study of animals
3. Psychology	(   )	(c) the study of earth
4. Geology	(   )	(d) the study of the cultures of the past
5. Zoology	(   )	(e) the study of the bodies of living things.
