

# Something Just Like This

The Chainsmokers & Coldplay

and How not old see like moon much

some that want gifts books Batman before

reading somebody superman something superhero

I've been \_\_\_\_\_ of old \_\_\_\_\_ I can kiss (miss)

The legends and the myths

I want something just \_\_\_\_\_ this

Achilles and his gold

Doo-doo-doo, doo-doo-doo.....

Hercules and his gifts

Oh, I \_\_\_\_\_ something just like this

Spider-Man's control

Doo-doo-doo, doo-doo-doo.....

And \_\_\_\_\_ with his fists

Oh, I want something just like this

And clearly

I want \_\_\_\_\_ just like this

I don't \_\_\_\_\_ myself upon that list

I've been reading books of \_\_\_\_\_

But she said, where'd you wanna go?

The legends \_\_\_\_\_ the myths

\_\_\_\_\_ you wanna risk?

The testaments they told

I'm not looking for somebody

The \_\_\_\_\_ and its eclipse

With \_\_\_\_\_ superhuman \_\_\_\_\_

And \_\_\_\_\_ unrolls

Some \_\_\_\_\_

A suit \_\_\_\_\_ he lifts

Some fairy-tale bliss

But I'm \_\_\_\_\_ the kind

Just something I can turn to

of person \_\_\_\_\_ it fits
