

Waiting for Love by Avicii

1. Circle the word you hear

Where/When there's will, there's a way, kind of beautiful
And every night has its **day/they**, so magical
And if there's **live/love** in this life, there's no obstacle
That can't **be/see** defeated

For every/each tyrant a tear for the vulnerable
In every lost soul, the bones of a miracle
For every dreamer, a dream/team we're unstoppable
With someone/something to believe in

2. Complete the lines with the missing words

Saturday – Sunday – Monday – Tuesday – Wednesday – Thursday – Friday

_____ left me broken
 _____ I was through with hoping
 _____ my empty arms were open
 _____ waiting for love, waiting for love
 Thank the stars it's _____
 I'm burning like a fire gone wild on _____
 Guess I won't be coming to church on _____
 I'll be waiting for love, waiting for love
 To come around

3. Put the days of the week in order during the solo

4. Complete with the missing words

We're all _____ of a kind, irreplaceable
How did I get so blind, so cynical
