

1. The world's most urgent problems can be solved by international collaboration.

.....  
.....  
.....

2. The government spends too much money on developing space exploration technology. There are many other financial needs that the government should address instead.

.....  
.....  
.....

3. Some unpaid community services should be a compulsory part of high school programs.

.....  
.....  
.....

4. In order to improve educational quality, high school students are encouraged to make comments or even criticism on their teachers.

.....  
.....  
.....

5. Governments should spend money on measures to save languages that are used by few speakers.
