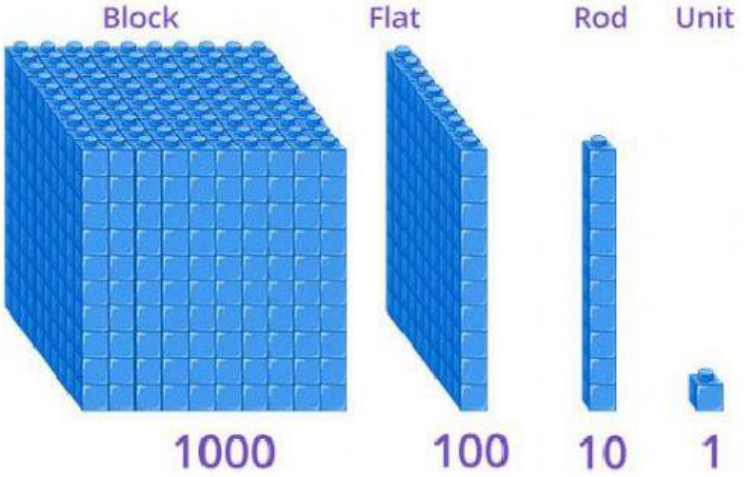
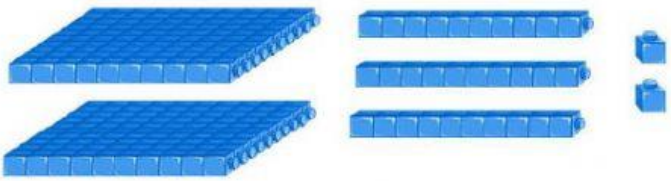
MATH

Counting to 1,000 using counters

This is the Math counter of base 10 blocks.



Example:



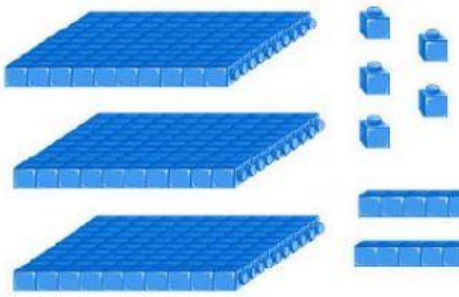
2 flats = 200

3 rods = 30

2 units = 2

It's 232

Let's try it:



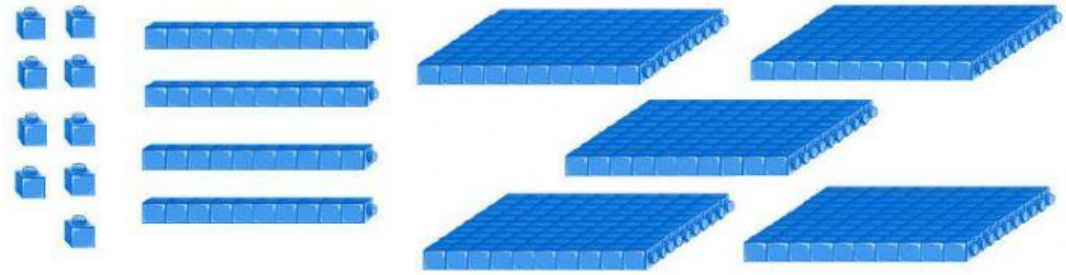
__ units = _____

It's _____

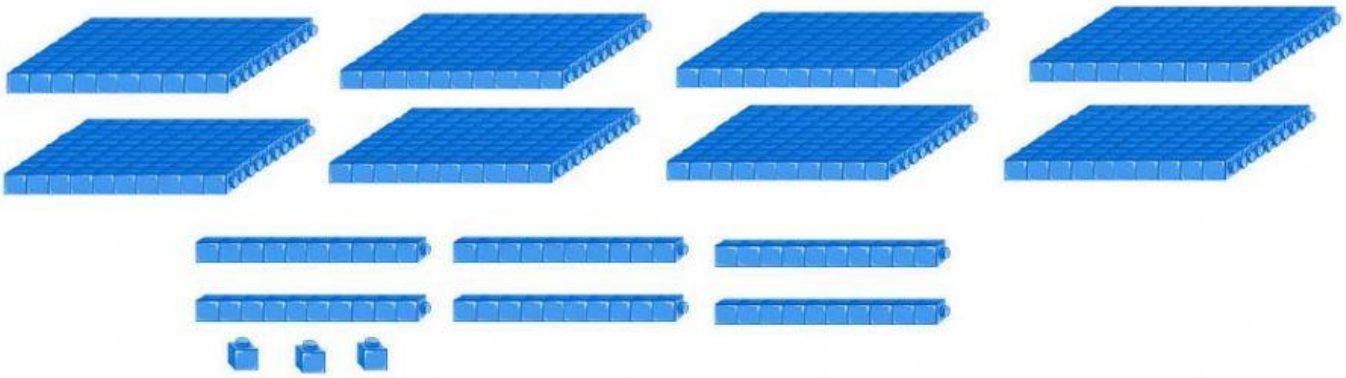
__ rods = _____

__ flats = _____

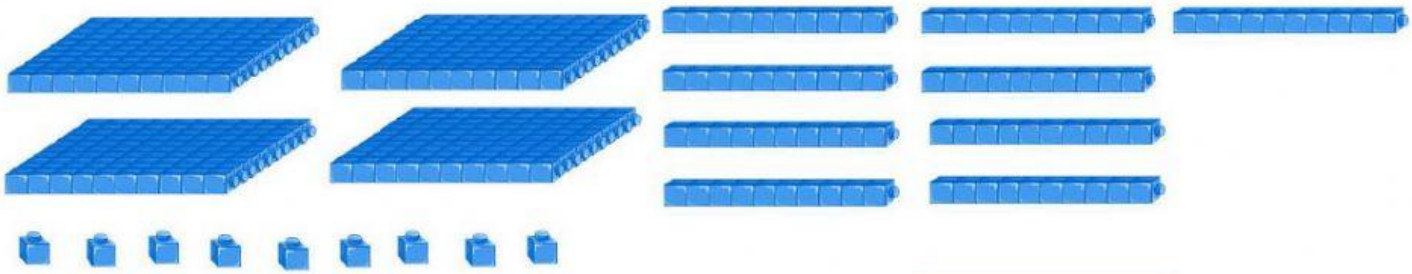
LIVEWORKSHEETS



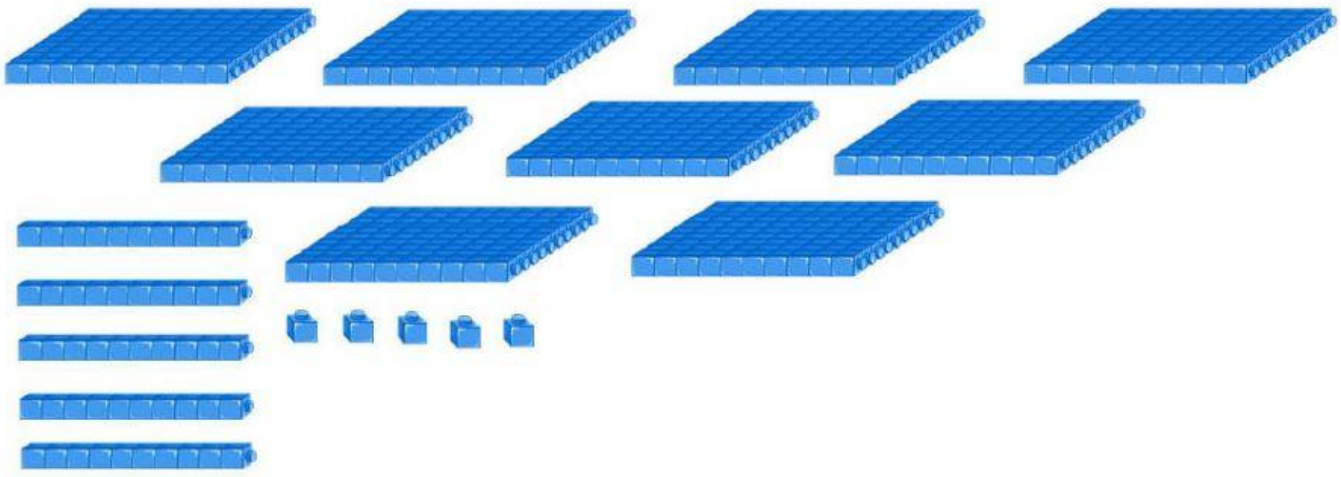
__ flats = _____ | __ rods = _____ | __ units = _____ | It's _____



__ flats = _____ | __ rods = _____ | __ units = _____ | It's _____



__ flats = _____ | __ rods = _____ | __ units = _____ | It's _____



__ flats = _____ | __ rods = _____ | __ units = _____ | It's _____
