Questions 4–6 refer to the following letter.

S-Com Ltd.
PO Box 10
Western Avenue
Aylesbury

To whom it may concern:

I am delighted to provide a letter of reference for Jason McCarthy, who worked as a graphic designer for this firm for eighteen months. I worked with Jason for twelve months, and was his project supervisor for eight months. Although Jason came to us straight out of college, his potential was quickly noticed and within six months he was transferred to the marketing department, where he produced work of a consistently high standard. In his time here he was able to make significant improvements in his computer skills and, although this is not his strongest point, he worked hard to develop in this area.

During his time at S-Com, Jason maintained an exemplary attendance record and was always punctual, often arriving early for work in order to better prepare himself. He completed work on or ahead of schedule and was consistently a leader in group projects. We are very sorry to lose him here at S-Com, but I am more than confident that he will be able to adapt quickly to a new work environment.

Please don't hesitate to contact me if you have any further questions.

Yours faithfully,

Alan Knight
