

Reading carefully, choose the appropriate answer in the table bellows!

(drag the answer in the table into the incomplete sentence)

### Night of Takbir in Pandemic Era

The takbir night that my family and i had last year was different.

As the goverment forbid anyone to \_\_\_\_\_ home during the pandemic era. We \_\_\_\_\_ to spend takbir night at home.

On the last year of takbir night, we \_\_\_\_\_ lonelier because it could be done at home. However for my family there was no reason to not celebrate it. We \_\_\_\_\_ it by chanting the verses of takbir to show our gratitude to Allah as he \_\_\_\_\_ us victory after going through the Ramadhan fasting period.

The takbir night during the pandemic era \_\_\_\_\_ us to learn how to be grateful as we \_\_\_\_\_ time to gather with family. No matter what \_\_\_\_\_, the most important thing was we \_\_\_\_\_ our fasting, takbir and eid al fitri well. This was my memorable experience.
