

## Driver's license

Olivia Rodrigo

[Listen to the song and complete with the past form of the verbs]

I \_\_\_\_\_ (to get) my driver's license last week  
 Just like we always \_\_\_\_\_ (to talk) about  
 'Cause you \_\_\_\_\_ (to be) so excited for me  
 To finally drive up to your house  
 But today I \_\_\_\_\_ (to drive) through the suburbs  
 Crying 'cause you \_\_\_\_\_ (not /to be) around

[Listen to the song and put the words in the box into the correct spaces by clicking on them and dropping into the places.]

through	could	probably	older
---------	-------	----------	-------

And you're \_\_\_\_\_ with that blonde girl  
 Who always made me doubt  
 She's so much \_\_\_\_\_ than me  
 She's everything I'm insecure about  
 Yeah, today I drove \_\_\_\_\_ the suburbs  
 'Cause how \_\_\_\_\_ I ever love someone else?

[Chorus] Listen and number in the order you hear

[       ] And I just can't imagine  
 [       ] Guess you didn't mean what you wrote in that song about me  
 [       ] But I've never felt this way for no one  
 [       ] And I know we weren't perfect  
 [       ] How you could be so okay now that I'm gone  
 [       ] 'Cause you said forever, now I drive alone past your street

[Listen and match the beginnings and endings]

And all my friends are tired	'Cause they'll never know you the way that I do
I kinda feel sorry for them	And pictured I was driving home to you
Yeah, today I drove through the suburbs	Of hearing how much I miss you, but

[Repeat Chorus]

[Listen to the colors in the song and click on the box to choose the correct one]

\_\_\_\_\_ lights, stop signs  
 I still see your face in the \_\_\_\_\_ cars, front yards  
 Can't drive past the places we used to go to  
 'Cause I still fuckin' love you, babe (Ooh, ooh-ooh, ooh, ooh-ooh)

Sidewalks we crossed  
I still hear your voice in the traffic, we're laughing  
Over all the noise  
God, I'm so \_\_\_\_\_, know we're through  
But I still fuckin' love you, babe (Ooh, ooh-ooh, ooh, ooh-ooh)

[Repeat Chorus]
