

Maze (Documentaries)

Documentaries are a popular **1.(machine – genre – sport)** for filmmakers and there are plenty of good ones out there. **2.(Therefore – However – Moreover)**, there are also a lot **3.(of – in – off)** bad ones. For the up-and-coming documentary filmmaker, **4.(there – their – three)** are a few rules you need **5.(follow – follows - to follow)** before you get your camera out and start filming. Before you decide to **6. (support – earn – make)** a documentary, you should ask yourself **7.(any – much – some)** important questions. What is it going to be about? It is also vital that you choose a **8. (Skyscraper – topic – painting)** that you feel passionate about. OK, you have **9.(find – found – finds)** your topic, but will other people be interested? If you make a balance between your passion and people's interests, you **10.(will- would – had)** definitely gain success.
