

Q. Label the parts of Access Window , by dragging the labels and dropping it at correct place

The screenshot shows the Microsoft Access interface with the following components labeled:

- Title bar**: Located at the top of the window, containing the file path and window title.
- Ribbon**: The top menu bar with tabs like File, Home, Create, External Data, Database Tools, Fields, and Table.
- Quick Access toolbar**: Located on the left side of the ribbon, containing icons for Save, Undo, and Redo.
- Navigation Pane**: Located on the left side, showing 'All Access Objects' and a list of tables, including 'STUDENT_DETAIL'.
- Table Window**: The main area displaying the data in a table format, titled 'STUDENT_DETAIL'.
- Design View**: The view used to design the table structure, located at the bottom of the window.
- Status bar**: Located at the bottom of the window, showing 'Record: 10', 'Total', and 'Unfiltered'.

ID	ST_NAME	ST_PA_MARK	ST_SA_MARK	REMARK
1	ADITI	98	95	Outstanding
2	SANT	96	97	Superb
