

Razones y porcentaje

1. Observa cada representación de razones y porcentajes, únelos según corresponda.

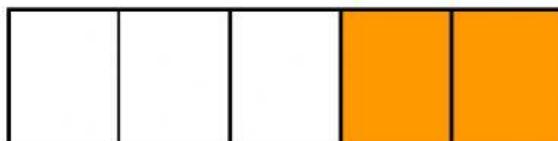

36%

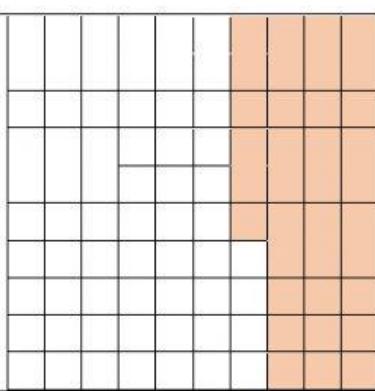

3 es a 8

40%

43%

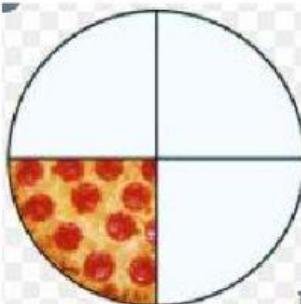

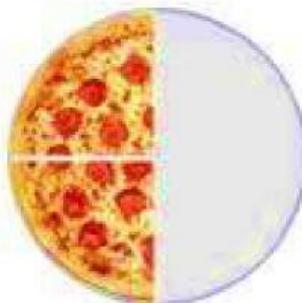

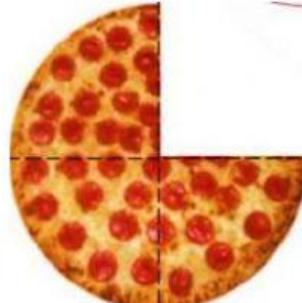

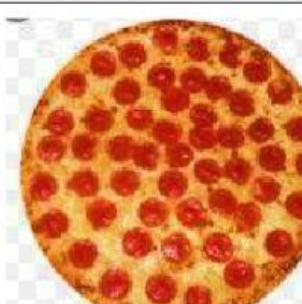

4:12

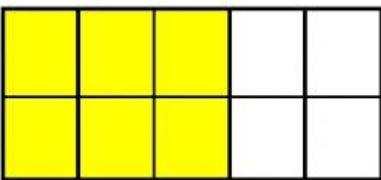

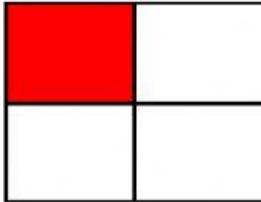

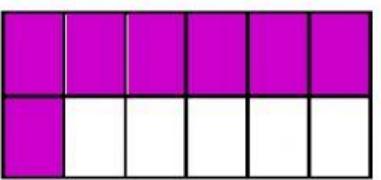

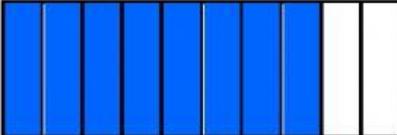

Las siguientes imágenes son pizzas. Tomando en cuenta que ya se han comido algunos trozos.

2. ¿Qué porcentaje quedan aún de ellas? Únelos según corresponda.

	50%
	100%
	75%
	25%

3. Observa los dibujos y escribe la razón que representan y el porcentaje de esta.
