

Once before time

LEGO Kingdom

There were two Lego Kingdoms - One was big, one was little.
One day the two kingdoms slid and they collided into each other.
The two kings cried when the kingdoms collided.
In the rubble they found two maps.
The two brothers rided their dragons and the dragons guided them
to the treasure.
They found the treasure. The treasure had two instructions for
building the castle. In the end everyone was happy.

Q.1 Who were the kings?

Twins Friends Brother

Q.2 What did they find in the rubble?

Q.3 What were they riding on?

Dogs dragons cats
