

A. Read and answer the questions below.

A good paragraph should have a concluding sentence.
A concluding sentence summarises the main idea of the paragraph.
It is usually written in a single sentence using your own words.

A concluding sentence:

- ☺ is the last sentence in a paragraph.
- ☺ restates the topic sentence using different words.
- ☺ should not introduce any new ideas.
- ☺ may use linking words such as so, thus, therefore or hence.

	false	
A concluding sentences restates the topic sentence using different words.	true	
	false	
A concluding sentences should not introduce any new ideas.	true	
	false	
A concluding sentences may use linking words such as so, thus, therefore or hence.	true	
	false	

B. OPEN YOUR ENGLISH YEAR 6 TEXTBOOK PAGE 56. READ THE PASSAGE AND REARRANGE THE SENTENCES INTO COMPLETE PARAGRAPH. (THE ANSWER IS IN YOUR TEXTBOOK PAGE 56!!!)

It is important to save electricity

Another way is to switch to energy efficient lights.

Therefore, we should always do our best to save electricity.

You can also use solar energy because it is a cheaper resource.

One way to do this is by switching off all electricity gadgets when they are not in use.

REARRANGE THE SENTENCE BY DRAGGING THEM INTO THE BOX BELOW.

C. IT'S YOUR TURN TO PRACTICE MAKING THE PARAGRAPH ON YOUR OWN.
IDENTIFY AND REARRANGE THE SENTENCE BELOW. REMEMBER THE RULE:

i. Main idea

ii. Supporting details (ayat menerangkan mengenai main ideas)

iii. Concluding sentence (ayat penutup)

We can also collect waste water from washing machines to clean drains, porches, and flush toilets.

It is important to collect water for reuse.

We can collect rain water by leaving empty buckets outside our homes.

Thus, it saves our water bills and helps to conserve water.

The water we collect may be used to water plants and wash vehicles.

REARRANGE THE SENTENCE BY DRAGGING THEM INTO THE BOX BELOW.
