The story of Atlantis was first told by a philosopher named Plato ,
in a book about 2,300 years ago .

The lost city of Quito has made people wonder for thousands of
years .

Atlantis was a very poor city.

Still others think that the modern - day island that is the nation
of Cuba is what's left of Atlantis .

Plato's story said this happened about 9,000 years before the
book was written .
