

Trying not to love you by Nickelback

Complete the song with the missing verbs in the correct form: infinitive with to, infinitive without to or -ing.

You call to me and I fall at your feet
How could anyone
(ask) for more?
And our time apart like knives in my heart
How could anyone
(ask) for more?
But if there's a pill to help me
..... (forget)
God knows I haven't found it yet
But I'm dying to, God I'm trying to
Chorus:
'Cause trying not to love you only goes so far
trying (not need) you
is tearing me apart
Can't (see) the silver
lining I'm down here on the floor
And I just keep on
(try), but I don't know what for
'Cause trying not to love you
Only makes me (love)
you more
And this kind of pain only time takes away
That's why it's harder
(let) you (go)
And nothing I can
(do) without (think)
of you
That's why it's harder
(let) you (go)
But if there's a pill to help me
..... (forget)

God knows I haven't found it yet
But I'm dying to, God I'm trying to
Chorus
So I sit here divided just talking to myself
Was it something that I did?
Was there somebody else?
When a voice from behind me that was
fighting back tears
Sat right down beside me, whispered right in
my ear
So I've been dying to tell you
That trying (not love)
you only went so far
trying (not need) you
was tearing me apart
Now I see the silver lining what we're fighting
for
If we just keep on
(try) we could (be)
much more
'Cause trying (not
love) you
Only makes me (love)
you more.
