A diagram showing a stack of three rectangular boxes. The bottom box is divided into two horizontal sections: a top section with a thin black border and a bottom section with a thick black border. The word "duck" is written in black lowercase letters in the bottom section. A large, solid grey arrow points from the center of the bottom box to the center of the top box. The top box is also divided into two horizontal sections: a top section with a thin black border and a bottom section with a thick black border.

The diagram illustrates a ring expander. It consists of two vertical rectangular boxes. The left box is divided into two horizontal sections: a top section and a bottom section. A thick, light-grey arrow originates from the right side of the top section and points to the right. It then turns 90 degrees downwards, points to the right again, and finally turns 90 degrees downwards again to point to the right. The right box is divided into two horizontal sections: a top section and a bottom section. The word "rings" is written in a bold, black, sans-serif font in the bottom section of the right box.
