

Sometimes You Can't Make It on Your Own by U2

- 1- Listen to the song and fill in the gaps with *don't have to* and *a verb*.
- 2- There is an extra word in the lines **in bold**, cross it out as you listen.

Tough, you think you've got the stuff
You're telling me and anyone
You're really hard enough

You _____ a fight
You _____ always _____ right
Let me take some of the punches
For you tonight

Listen to me now
I don't need to let you know
You _____ it alone

And it's you when I look in the mirror
And it's you when I don't pick up the phone number
Sometimes you can't make it on your own

We fight, all the time
You and I, that's alright
We're the same nice soul
I don't need, I don't need to hear you say
That if we weren't so alike me
You'd like me a whole lot more

Listen to me now
I need to let you know
You _____ it alone

And it's you when I look in the mirror
And it's you when I don't pick up the phone
Sometimes you can't make it on your own

Say, say, say

I know that we don't talk
I'm sick of it all day
Can you hear me when I
Sing, you're the reason I sing
You're the true reason why the opera is in me

We're here now
I _____ still got _____ you know
A house doesn't make a home
Don't leave me here alone

And it's you when I look in the mirror
And it's you that makes it hard to let go
Sometimes you can't make it on your own
Sometimes you can't make it
Best you can do is to fake it
Sometimes you can't make it on your own
