

**TOPIC: Unit 6: Go Green (Recycling bins)**

**Notes:**

\*The blue bin is used to dispose of **paper**.

\*The brown bin is used to dispose of **glass items**.

\*The orange bin is used to dispose of **aluminium and plastic waste**.

Read the explanation on recycling bins in textbook page 52 and categorise the items in the respective bins.

Baca penerangan tentang tong kitar semula di dalam buku teks muka surat 52 dan kategorikan bahan-bahan di dalam tong berwarna yang sesuai.

Drink cans	Glass bottles	Glasses	Food tins
Newspapers	books	Plastic bottles	Magazines
Perfume bottles	Plastic packaging	Cardboard boxes	Glass jars
