1) Tout va mal!

2) Quel temps fait-il?

1) Ecrivez des phrases

The screenshot shows the 'New simple' form in the 'Almanac' application. The form includes fields for 'Date' (set to 19/01/2017), 'Type' (set to 'Type 1'), and 'Unit' (set to '1000000'). Below these are checkboxes for 'Fertilizer' and 'Pesticide'. A 'Save' button is at the bottom. To the right, a table displays 'Taux de rendement' (Yield rate) for two types of crops: 'Type 1' and 'Type 2'. The table has columns for 'Date', 'Type', 'Rendement' (Yield), and 'Rendement par hectare' (Yield per hectare). For 'Type 1', the yield is 35 tons and 40 tons per hectare. For 'Type 2', the yield is 35 tons and 40 tons per hectare. A 'Total' row shows a total yield of 70 tons and 80 tons per hectare. The table is titled 'Taux de rendement' and has a subtitle 'Taux de rendement par hectare'.

2) Quand on part en vacances
