

I try to \_\_\_\_\_  
A little something \_\_\_\_\_  
Oh baby refrain from \_\_\_\_\_  
I'm \_\_\_\_\_ with you  
I'll be \_\_\_\_\_ blue  
That you gimme no \_\_\_\_\_  
Why you make me work so \_\_\_\_\_  
That you gimme no  
That you gimme no  
That you gimme no  
That you gimme no  
Sould, I hear you \_\_\_\_\_  
Oh baby, please, give \_\_\_\_\_ to me  
And if I \_\_\_\_\_ falter  
Would \_\_\_\_\_ you arms out to me?  
We can make love \_\_\_\_\_  
And live at \_\_\_\_\_ with our hearts  
I'm so in love with you  
I'll be \_\_\_\_\_ blue  
What \_\_\_\_\_ or reason  
Could drive a man to forsake \_\_\_\_\_?  
Don't you tell me no  
Soul, I \_\_\_\_\_  
Oh baby, please, \_\_\_\_\_ to me  
*Chorus*
