

IDIOMAS ASLAN
4th LEVEL – 2nd LISTENING TEST

1- Complete the conversation according to the conversation you've

Math: How was your date last night Jake?

Jake: It turned out okay, but I had some problems along the way.

Math: Why? What happened?

Jake: It started when I was getting ready to meet Ann. After I _____ my teeth, I used some mouthwash to make sure my breath would be extra fresh. At first I was fine though it was a strong taste. But they taste got more intense as I rinsed my teeth. And my mouth felt like it was on fire. Then I look at the bottle I _____. I realized I had rinsed my mouth with aftershave instead of mouthwash! The mouthwash and aftershave bottles were right next to each other! I quickly rinsed my mouth and used the mouthwash from the right bottle this time.

Math: You must _____ pretty distracted to make this kind of mistake. Did everything else go okay?

Jake: Unfortunately, no. I went to get dressed and realized I _____ my best shirt in the washer. I had meant to put in the dryer before started getting ready I went to get it from the washer but my mother _____ in the dryer I was relieved until I took it out the shirt had shrunk!

Math: Oh no. Did you find something else to wear?

Jake: I was running short on time so I threw on a different shirt and _____ the door I got to the restaurant in the nick of time. I sat at the table to wait for Ann to arrive.
