

EXTRA LISTENING - FCE 1

Listen to four people talking about music. For questions 1-8 match the information in the list A-I with the speaker. There is one extra letter which you do not need to use.

- A thinks musicians work best in the early part of their careers
- B has a very understanding family
- C doesn't enjoy going to large concerts
- D hates not having anything to listen to
- E gets bored with bands when they become popular
- F doesn't listen to many different types of music
- G tells their friends about new musical discoveries
- H tends not to pay for downloads these days
- I discovers new music on social networking sites
