### READING

My name is Jake. Everyday, I get up at 7:00 and I have cereal and milk for breakfast. My sister and I go to school in the morning. We take the bus at 7:30. We have lunch at school because we do sports there. I play basketball and she plays hockey on Monday and Friday at 4pm. After school, I have tea with my family and then I do my homework. We watch TV for an hour and at nine we have dinner. I go to bed early.
