

Here are some people talking about their jobs. Underline the correct words in *italics*. Sometimes both words are correct.

Hi, my name is Karl Harrison and I'm a writer. I've written for lots of films and some television (1) *programmes / shows*, too. I only write (2) *scripts / plays*; I've never written for the theatre. One day I would like to, I think. The best thing about my job is that it's (3) *flexible / inflexible*: I can write whenever I want. And of course, I can be really (4) *creation / creative*.

I'm Katie Cane and I am the (5) *star / fame* of the new Hollywood blockbuster *Reef*. I love (6) *acting / playing*, but I always get followed everywhere by the (7) *press / media*, which isn't so much fun. In *Reef*, I (8) *play / act* an Australian woman who's wanted by the police. I love this (9) *character / personality*; she has a lot of depth.

I'm Edward Williams and I'm a film director. I've worked on many (10) *international / national* projects around the world. My latest movie, *No More Limits*, was (11) *shot / filmed* on (12) *location / site* in Japan. One of the best things about the job is that I get to travel, and I can work with people from different countries. Film-making is really my passion. I love films; my life without them would be (13) *unimaginable / unintelligible*. I especially like the (14) *post-production / after-production* process, when I can see the film finally taking shape.
