Good job, Dibah. Pray for my success too.	I have problems with English and Mathematics.	I'm sure your parents and friends must be delighted with your flying colours result.
Hi Dibah,	Your tips will definitely help me.	I'm so proud of you. Your hard work totally paid off.
Congratulations my dear friend on your well-deserved success.	I hope they will buy you that new laptop you've always wanted.	Please do share some tips on how you prepare for your exam.
Your buddy, Jamilah	See you around. Bye!	Congratulations!
