

My house is near a

Four empty boxes for writing the word.

One day I heard the croaking of a

Four empty boxes for writing the word.

I saw it had entered my

Five empty boxes for writing the word.

and jumped into my bath

Three empty boxes for writing the word.

I got scared and came out of it and stepped

on a

Three empty boxes for writing the word.

The frog followed me, so I ran out of the

Two sets of four empty boxes for writing the words, separated by a hyphen.

I went to my

Two sets of four empty boxes for writing the words, separated by a hyphen.

and hid there.

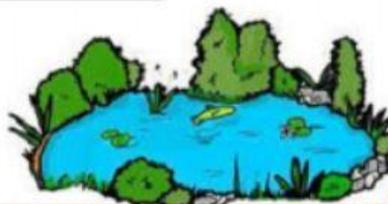

The

Four empty boxes for writing the word.

could not find me, so

it went back to its

Four empty boxes for writing the word.
