

FORM 4: READING COMPREHENSION (MATCHING AND INFORMATION TRANSFER)

Questions 1 to 8

Read the following advertisement and answer the questions that follow.

FEEL IT... EXPERIENCE IT... NEW ZEALAND EXTREME SPORTS

A

White water rafting

Are you ready take on this sport near Rotorua? It takes you on a rollercoaster ride on a fast flowing river! At the rapids you will be standing up in your rafts or spinning in circles. Hold your breath as you will experience a 7 metre drop at a waterfall!

B

CAVING

Enjoy guided underground adventures with magical sights of the Glowworm Caves of Waitomo. You can take a relaxing boat ride through underground tunnels and have an incredible experience viewing tiny phosphorescent larvae glimmering above your heads. Are you adventurous? Take a walk or float on black tubes to add thrill to this adventure.

C

Bungee Jumping

Try this adventure from the Kawarau Gorge suspension bridge! Jump from the platform and you'll descend 141 feet in 5 seconds! What's more, you can select either to topple over backward, forward, spin or somersault, or even jump with another person. End the jump by bobbing above the water, touching it, or be completely immersed in the river water.

D

JET BOATING

How about a speedy ride along a fast-flowing river? Originally invented by Sir William Hamilton for farmland irrigation purposes, it has surprisingly become extremely popular with tourists. You will experience an exhilarating journey as you speed as close to the river banks as possible, dodging tree branches and cliffs and spinning 360 degrees!

E

SKYDIVING

Get on a plane at Taupo, Queenstown and plunge down from a whopping 9000 feet. Guess what happens? You get this chance of a lifetime to see the most spectacular New Zealand landscape of volcanoes, forests, lakes, and snow-capped mountains as you journey down. Scream your heart out but rest assured you will still be in one piece at the end of this adventure.

Questions 1 to 4
